

BAO HEALTH RESOURCES INVESTOR NEWSLETTER

OCTOBER 1, 2010

VOLUME 2, NUMBER 1

"For optimum health and vitality in the modern world."

BAO Health Resources Proudly Welcomes the Multi-Faceted Dr. Joel Wallach, DVM, ND, to its Board of Advisors

Dr. Joel Wallach has won recognition worldwide for his important work on trace minerals and their relationship to disease. In 1991, he was nominated for a Nobel Prize for his stunning discoveries in the use of trace minerals to prevent catastrophic diseases in newborns. Involved in biomedical research and clinical medicine for over 30 years, he is the author of numerous books and peer review reference articles in the field of nutrition and pharmaceutical research. Besides being president and owner of YOUNGEVITY, a large and very successful international MLM health and nutrition company, Dr. Wallach also hosts his own nationally syndicated radio show called "Dead Doctors Don't Lie," and stays busy giving health seminars and lectures throughout the world.

The 38th Annual Cancer Control Society Convention—A Rousing Success

The Sheraton Universal Hotel in Universal City, California, was host once again to a successful Cancer Control Society Convention on September 4-6, 2010. Frank Cousineau (President—Cancer Control Society), BAO's Board Chairman, was the intriguing and engaging MC/coordinator of the entire 3-day event. Of the 40 speakers at the 3-day symposium, each an expert in his/her field, at least one featured speaker per day was a supporter of our company: Dr. James Forsythe, MD, HMD; Mr. Frank Cuny, President of California Citizens for Health Freedom; and Dr. Tony O'Donnell, MD. Others who heard about us at the convention are poised to join us in the future (More announcements to come). A brief Director/Advisory Board meeting was held at the convention. In attendance, among others, were Dr. James Forsythe, Dr. John Toth, Dr. Joel Wallach and Mr. Frank Cuny.

Long Awaited Details on BAO President's Trip to C.C.S.-- Japan

BAO President/CEO Babry Oren, was honored with a personal invitation to the annual convention of The Cancer Control Society (C.C.S.)—Japan, held in Tokyo in mid-July 2010. He was accompanied on his trip by Mr. Frank Cousineau, President of The Cancer Control Society—USA. President of C.C.S.—Japan, Aki Moriyama, expressed great interest in the BAO product, Folium. He's also the CEO/owner of a major Asian supplement company based in Japan, whose marketing company also promotes Toyota and Honda in Asia. His company furnished us with a formal Letter of Interest toward partnering and taking the product to Japan and Asia. The Japanese press was also very interested in the product and the possibilities of its availability in Asia.
